At Super Chicken, we are proud to only serve fresh, all-natural chicken that has never been frozen. Our chicken tenders are made exclusively from chicken tenderloins, the prime cut of chicken, and our chicken nuggets are hand-trimmed pieces of chicken breast.

From Super Sauce to our Herb Vinaigrette, all of our dipping sauces and dressings are made in house from premium ingredients. We buy our produce whole from local produce companies and source our bread from a local artisan bakery to ensure that your meal is *super!*

Thank you for dining with us. We truly appreciate your business and hope to see you again soon.

Super Chicken - Serving Fresh, All-Natural Chicken Since 2011!
